)	

On December 27, 2024, Gem State Water Company, LLC, ("Company") filed an application with the Idaho Public Utilities Commission ("Commission") requesting an Order approving revisions to the Company's schedules of rates and charges for water service in the State of Idaho, to become effective on or after February 1, 2025.

On July 31, 2025, the Commission issued Order No. 36703, approving an annual revenue requirement of \$1,137,498. The Commission directed the Company to submit conforming tariffs in compliance with Order No. 36703 within 30 days of the order date.

On August 22, 2025, the Company filed a conforming tariff reflecting rates approved in Order No. 36703. Staff reviewed the tariff and noted that the Company used monthly allowance amounts in the Contract Conditions sections of Schedules No. 1 and No. 2 that differ from Commission authorized amounts.

On September 3, 2025, the Company filed a revised tariff, which updated monthly allowance amounts in the Contract Conditions sections of Schedules No.1 and No. 2 to match Commission authorized amounts. Staff reviewed the Company's revised tariff and believes the revisions improve upon the August 22, 2025, filing, and confirmed the filing complies with Order No. 36703.

COMMISSION FINDINGS AND DECISION

The Commission has jurisdiction over the Application and the issues in this case under Title 61 of the Idaho Code including *Idaho Code* §§ 61-301 through 303. Having reviewed the record and all submitted filings, the Commission finds that the Company's updated tariffs submitted through a compliance filing on September 3, 2025, conform with the provisions of Order No. 36703.
